1 September 2011

Dear Parents,

**RE: Octopus payment System**

Our school will install the Octopus Payment System in October this year for processing payments. To have efficient and smooth operation of the system please ensure your child possessing an octopus card with value adding function (either the standard or personalized octopus). The exact implementation day will be notified once the system is installed.

Thank you for your attention.

Yours faithfully,

Principal

**八達通收費系統**

敬啟者：本校將於今年十月起使用八達通收費系統處理日常收費事宜，為使該系統能有效運作，現請家長確保 貴子弟擁有一張個人八達通或普通版八達通，該八達通須具增值功能。有關確實之推行日期將於裝置完成後再另函通知。

此致

貴家長

王肇枝中學校長
