Dear Parents,

RE : Amendment of Report Card

Attached is the amended 2010/11 Report Card for your perusal. The amendment is caused by a mistake in an operational formula of the mark-list . This results in discrepancy in the scores of the Chinese paper of 2010/2011 5E class. The school record has been rectified accordingly. We apologize for any inconvenience caused. Please return the duly signed Report Card back to the class teacher on 3 October 2011 for filing through your child.

Yours faithfully,

Principal
