

Book Title: Diary of a Wimpy Kid

Author: Jeff Kinney

Publisher: Puffin

Synopsis / Summary:

Diary of a wimpy kid contains 7 series. I like the first series the most. The main character of this book is Greg Heffley. He had a terrible life whenever he was at home or at school.

He had got two brothers. The eldest one, Rodrick was mean and he loved holding parties. Rodrick also loved embarrassing Greg and Greg hated being embarrassed in front of the people. Rodrick always played tricks on Greg. I think the most ordinary person in this book is Greg.

This book is in a cartoon diary style. For a diary, it has a date. The author does that in this book too. Apart from words, the author also includes a lot of drawings in order to express his ideas easily. The drawings in the book are easy to understand. We also know how the story goes on by looking at the pictures.

In this book, the language used is American English. I don't know much about some of their common expressions. So I want to learn some of the common expressions from this book.

Personal Reflection:

I love this book so much. I have read it for many times. I also make a diary for myself, learning the style of Jeff. Later on, I will have one that is of my style.

The content of the book is very interesting. It is sort of my style. The things happened in the book are a bit similar to what are happening on me.

I am interested in reading this kind of book. I think it is easy to understand. I like funny books because they always catch my attention. And this is one of my favourite books!
